

Safe Hands' Camp for Enhancement is ment for students prepering for Examination: **NSEJS** to be held on November 19th, 2017: time 10:00 am to 12:00 pm and also students of std X who wish to prepare for compititive examination with high intension, are allowed depending on their selection and space available.

	Day	Time	Topics
Sunday	22-Oct-17	2:00 to 5:00	Light
		5:00 to 5:30	Snacks+ tea cofee
		5:30 to 7:00	cell-the unit of life + life simple and complex (diversity)
		7:00 to 8:00	your choice
		8:00 to 9:00	Dinner
		9:00 onwards	your time
Monday	23-Oct-17	7:30 to 8:00	Breakfast + tea / cofee
		8:00 to 10:00	Your time
		10:00 to 1:00	School of elements +Understanding metals and non metals
		1:00 to 1:30	Lunch break
		1:30 to 3:00	Trigonometry + Coordinate geometry
		3:00 to 5:00	Life processes
		5:00 to 5:30	Snacks+ tea cofee
		5:30 to 7:00	Light
		7:00 to 8:00	your choice
		8:00 to 9:00	Dinner
		9:00 onwards	your time
Tuesday	24-Oct-17	7:30 to 8:00	Breakfast + tea / cofee
		8:00 to 10:00	Your time
		10:00 to 1:00	Amezing world of Carbon compounds + The magic of chemical reactions
		1:00 to 1:30	Lunch break
		1:30 to 3:00	Quadratic equations and linear equations in two varriable
		3:00 to 5:00	Mapping our Genes
		5:00 to 5:30	Snacks+ tea cofee
		5:30 to 7:00	vectors + motion + projectile motion
		7:00 to 8:00	your choice
		8:00 to 9:00	Dinner
		9:00 onwards	your time
Wednusday	25-Oct-17	7:30 to 8:00	Breakfast + tea / cofee
		8:00 to 10:00	Your time
		10:00 to 1:00	Electricity + magnetism
		1:00 to 1:30	Lunch break
		1:30 to 3:00	The life cycle
		3:00 to 5:00	Mensuration
		5:00 to 5:30	Snacks+ tea cofee
		5:30 to 7:00	AP and GP
		7:00 to 8:00	your choice
		8:00 to 9:00	Dinner
		9:00 onwards	your time
Thursday	26-Oct-17	7:30 to 8:00	Breakfast + tea / cofee
		8:00 to 10:00	Your time
		10:00 to 1:00	Graphs + revision of work energy power
		1:00 to 1:30	Lunch break
		1:30 to 3:00	The regulators of life (control and coordination
		3:00 to 5:00	Probability and statistics

	Day	Time	Topics
		5:00 to 5:30	Snacks+ tea cofee
		5:30 to 7:00	Electromagnetism
		7:00 to 8:00	your choice
		8:00 to 9:00	Dinner
		9:00 onwards	your time
Friday	27-Oct-17	7:30 to 8:00	Breakfast + tea / cofee
		8:00 to 10:00	Your time
		10:00 to 1:00	Inside atom + counting matter
		1:00 to 1:30	Lunch break
		1:30 to 3:00	Microbes
		3:00 to 5:00	properties of fluids, gravitation
		5:00 to 5:30	Snacks+ tea cofee
		5:30 to 7:00	standered derivaties and its application
		7:00 to 8:00	your choice
		8:00 to 9:00	Dinner
		9:00 onwards	your time
Saturday	28-Oct-17	7:30 to 8:00	Breakfast + tea / cofee
		8:00 to 10:00	Your time
		10:00 to 1:00	Test on entier portion
		1:00 to 1:30	Lunch break
		1:30 to 3:00	Explanation and interaction
		3:00 to 4:00	Difficulty session and final instructions
		4:00 to 4:30	expression of experience and expectations and conclusion
		4:30 to 5:00	Snacks+ tea cofee + good buy and good luck

We will try to cover all above topics but we have authority to change order or to change the topics as per need. No student is allowed to join after camp starts and neither expected to discontinue in between (he won't we are sure) There may be some educational activities in between which are not mentioned like experiments, sky watching, some motivational movies or talks.
